SIR,

Entertainment of scavengers to all the 3rd Class Travellers' Bungalows and Musafirkhanas under the District Board in the District.

I have the honor to bring to your notice that the Travellers' Bungalows and Musafirkhanas which are now managed by the District Board are not given the services of a Toti (scavenger) to clean the latrines attached to them. When these buildings were under the control of Taluk Boards, the Amildars were Presidents and in places where these buildings were located in Municipalities the Amildars were Presidents of Municipalities also, and the services of the Municipal scavengers were made use of occasionally to clean these latrines. Now it has been difficult to keep these latrines clean and tidy without employing a scavenger for each building. The Board resolved that in places where there are Municipalities, the Municipal scavengers may be given a small allowance of Rs.2/- or 3/- for cleaning these latrines attached to these buildings. Accordingly the scavengers are being employed temporarily on a monthly allowance of Rs.2/- to some of the buildings. During the course of audit of the District Board accounts for 1927-28, the auditors have taken objection on the ground that sanction of Government should be obtained for incurring such charges.

The scale of rent of all the 3rd class Travellers' Bungalows and Musafirkhanas have been raised. As such it is necessary that convenience should be created to the Travellers. To keep the latrines clean and tidy is an essential part of duty with regard to sanitation of the building.

2. In these circumstances, I request that Government may be kindly moved to accord sanction to employ scavengers on a monthly allowance of Rs.2/- to all 3rd class Travellers' Bungalows and Musafirkhanas under the control of the District Board. The amount will be met out of the provision made in the budget under D. 3 "Accomodation for travellers".

I have the honor to be,
S i r,
Your most obedient servant

B N Rahmon
